Aerix® Sensor-Operated Warm Air Hand Dryer

2905-287300 — Standard
(110–120 volt, 13.6 amps, 60 Hz –White) **Bradex®**

2905-2873CE — European Export
(220–220 volt, 7 amps, 50 Hz – White) **Bradex®**

☒ Recommended for low to mid traffic areas; not recommended for high vandal-prone areas.

Product Materials

Cover: 5/64" (1.9mm) thick steel one-piece cover with white epoxy coating. Cover fixed to the base with four Allen-head screws.

Motor: durable, maintenance-free shaded pole, brushless motor with safety thermostat and self-resetting thermal cut-off at 266°F (130°C). PP UL94-V0 with single inlet fan wheel.

Heating Element: waved wire NiCr 40 heating element that incorporates a self-resetting thermal cut-off at 158°F (70°C).

Electronic Control: two distances (15/25 cm) IR electronic detection sensor with zamak air outlet grill.

Base Plate: thermoplastic ABS UL 94-V0 base and single-inlet centrifugal scroll fan; with four Ø 5/16" (8 mm) holes for wall mounting.

Installation

Verify all rough-in dimensions prior to installation. Hand dryers require a dedicated circuit and must be properly grounded. GFI Circuit protection is recommended. One side of dryer should be mounted to a stud.

Operation

Place hands 3"–6" below air outlet grill to activate air flow. Dryer will stop two seconds after hands are removed from air flow.

Product Compliance

- G Mark (only applies to the 2905-2873CE model)

- UL electrical components

Guide Specification

Surface-mounted hand dryer shall be fabricated from one-piece 5/64" (1.9 mm) thick steel. Cover shall have a white epoxy coating. Back base shall be fire-resistant plastic ABS UL 94-V0. Dryer shall be fitted with an infrared electronic sensor, zamak air outlet grill and shaded pole motor with safety thermostat and self-resetting thermal cut-off at 266°F (130°C). Dryer shall operate at 60 dB while delivering 194 CFM of air at 125.6°F (52°C) and 4,181 LFM during user-controlled drying cycle. Dryer shall have a total power of 1,640 W (2.2 Hp) with a consumption of 13.6A (2905-2873) or 7A (2905-2873CE).

Overall dimensions: 11 7/8"H x 10 1/8"W x 5 1/2"D
(302 mm x 256 mm x 140 mm)

Weight: 9.8 lb (4,45 kg)

Orders composed of products indicated as **Bradex®** will be available to ship in three days after receipt of order at the factory. There is no pricing penalty for this service from Bradley.
